### **TRIPS**

An invitation for students k-12! Visit the home and studio of abstract painters, Jackson Pollock and Lee Krasner, a national landmark in East Hampton. Discover creative ways Pollock and Krasner expressed their feelings with paint. Visit their historic house and explore the studio barn filled with paint splatters where Pollock created his 200 million dollar masterpiece! Discover what creativity is all about as you look and talk about what you see in sculptures, paintings, and prints by many artists displayed in their home. Then get your own expressions out as you sketch on the spectacular grounds overlooking Accabonac Harbor. This trip is an eye opening experience as you discover that creativity and imagination can be inspired within all of us. There is no right or wrong way to look at or make art. Curriculum Connections: local history, museum studies, learning from primary sources, visual literacy, art history, social-emotional learning. For schools that cannot afford buses and are in need, in-school Pollock workshops are available on a limited basis.

## **SCHOOL and COMMUNITY OUTREACH PROGRAMS**

**Programs begin with an interactive fun art show presentation geared to children or teens, followed by hands-on project.**

(Set up is adapted to your space. We work small using popsicle sticks - the workshop can be done in any setting with no mess. Supplies included.)

### **CHOOSE YOUR TOPIC:**

#### **EXPRESS YOURSELF! Pollock Drip Painting**

What do you do when you are happy, sad, frightened, or mad? Discover creative ways Jackson Pollock, Lee Krasner and other artists expressed their feelings with paint during a fun filled interactive art slide show. Then, inspired by Pollock, let your emotions out as you drip paint from sticks to create an abstract painting.

#### **RIP IT UP! Lee Krasner**

Discover how famous artists Jackson Pollock and his wife Lee Krasner, expressed their feelings with bold abstract art. Inspired by Krasner, get your feelings out as you create a colorful abstract collage by ripping, cutting, dripping paint and more.

## **CAPTURE THE BEAUTY! East End Artists**

Why do so many famous artists live or work on the East End of Long Island. Discover how world famous artists Thomas Moran, Willem DeKooning, Jackson Pollock, Lee Krasner and others capture the beauty of East Hampton nature in their art. Then express the energy of nature in art as you create an abstract painting inspired by Pollock and Krasner.

## **ART FOR WOMEN'S HISTORY MONTH (March)**

See giant flowers that explode with color in paintings by Georgia O'Keefe. Picture a world imagination in art by Frida Kahlo. Find out how you can make a masterpiece by ripping up your painting and putting it back together again in art by Lee Krasner. Then, based on their innovative techniques, create your own painted-collage masterpiece inspired by Lee Krasner.
