ART EDUCATION

Directed by Artist/Author Joyce Raimondo

SUMMER READING! TAILS AND TALES

Live Zoom Art Workshops

For Children - grades k - 6

WILD THINGS

3 - D Project

Discover imaginary creatures and animals in Maurice Sendak's *Where the Wild Things are* and other great illustrated books. Tell stories about what you see. Then unleash your imagination as you construct your own wild thing using collage and folding paper techniques.

Available Live Zoom or alternate version on similar theme: Create a Creature video.

Supplies: Construction or other assorted papers, scissors, tape, and glue.

MAGIC OF UNICORNS

perfect for National Unicorn Day too - April 9!

Discover a world of fantasy as you encounter unicorns in art. Then Joyce will demonstrate how you can create your own magical unicorn and castle using fun collage materials you have at home or draw.

Available live zoom or video version.

Supplies: scissors, glue, assorted paper, glitter, markers.

ANIMAL SAFARI

based, in part, on Joyce's Book, *Art Safari*

A giraffe on his way to a birthday party! An elephant on the beach! Learn the art of illustration as we look at famous pictures that feature animals. Make up stories about what you see. Then create your own illustration of imaginative animals using cut paper collage.

This workshop teaches narrative skills. Available live Zoom and video version.

Supplies: paper for your picture, scissors, glue, and assorted papers. Or, use drawing instead.

"Thank you for your amazing art class. You made us feel special and that has given us a new found confidence in art. Only great teachers can do that. You're one of them!" — Pat Stehling, Quogue Library
